

My 2016 Achievements

Write a list of all of your accomplishments and achievements in 2016.

This will assist you to identify what you enjoyed and what you want to do more of in 2017, as well as stepping back and really appreciating the work you have done, be it mental, physical, spiritual or emotional.

Achievements can be anything from improving your listening skills, buying a home, or creating something you have been working on for years. Once you have identified your achievements, you can continue to plan your 2017!

"Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow." - Melody Beattie
